OUR STORY	20-21

Prime Laminate

Inspired by the beauty of natural timber, the Prime Laminate collection offers a versatile and practical flooring solution designed for both modern and traditional interiors. Each board is crafted with advanced décor printing and texturing to capture the authentic look and feel of real wood, while delivering enhanced durability and ease of maintenance.

The collection spans multiple editions — from the sleek Deluxe Edition with seamless V-Groove finishes, to the Contemporary Plus with ultra-realistic printed detail, the Luxury Edition offering wide-plank elegance and scratch resistance, and the Legend Collection, featuring Aquashield waterproof technology. Together, these ranges provide a wealth of options for styling, colour palettes, and finishes.

Engineered for strength and stability, Prime Laminate boards are built on a precision multi-layer core with licensed click-lock systems, ensuring quick installation and a secure fit. With AC-rated durability, they are resistant to everyday wear and tear, making them suitable for busy households and commercial spaces alike.

Available in a wide variety of colours and textures, from soft neutrals to bold statement tones, the Prime Laminate collection allows you to elevate any space with cost-effective sophistication. Matching trims and accessories further complete the installation, ensuring a seamless, tailored finish.
