Project Oak

Inspired by classic European design, the **Project Oak Collection** showcases the enduring beauty and versatility of oak, making it suitable for interiors from traditional through to contemporary. Its authentic character is enhanced by a **specialised brushing** process that highlights the natural oak grain, creating a **handcrafted surface with distinctive depth** in both colour and texture.

Engineered European Oak is celebrated for its unique grain variations and natural knots, which bring warmth and individuality to every floor. Through careful finishing, these features are transformed into a foundation for creative expression, supporting a wide range of colour palettes and interior styles.

Each pre-finished 1900mm × 190mm × 2/14mm T&G board is protected with a **UV lacquer ultra-matte finish**, while the cross-layered multi-ply core ensures long-lasting stability, even over radiant heated subfloors.

To complete the installation, the Project Oak range includes customised stair nosing and scotia accessories, delivering a seamless and refined finish across the entire space.

CHÂTEAU (P04)

Pearl White P01

Vivacious, pure, & timeless. Add a touch of brightness, space and light to the room with this contemporary tone.

Available in AB Grade.

Prague Natural P02

Opt for a more classic flooring style in your pursuit of a more natural feel.

Available in AB Grade.

Winston Hill P03

Balmy, fun & optimistic. Create a peaceful atmosphere whilst illuminating a dark room with light oak flooring.

Available in AB Grade.

Château P04

Remain traditional with Château. A classic and timeless tone that hints subtle luxury.

Available in AB Grade.

Marrone Oak P05

Exuding a modern feel, this light brown oak gives any space a natural and contemporary feeling.

Available in AB Grade.

Rome Grey P06

Inspired by the Loft Style living of New York simultaneous with the Linen finishes of English Manor houses.

Available in AB Grade.

Vintage Mocha P07

This deeply smoked brown oak collection radiates warmth and depth, giving a sophisticated feel that expresses imagination.

Available in AB Grade.

Black Amber P08

Add flair to your home and give your room a luxurious appearance with dark flooring. Contrast this with bright colours on your walls and ceiling to create a strong eye-catching effect.

Wheldon Oak P09

Embracing gentle natural hues, Whealdon Oak offers a refined balance of warmth and timeless modern elegance.

Available in AB Grade.

Hamilton Oak P10

Showcasing graceful wood textures, Hamilton Oak blends classic character with contemporary sophistication for versatile interior appeal.

Available in AB Grade.

Charleston Oak P11

Elegant textures flow across each plank, shaping spaces with inviting warmth and effortless style.

Available in AB Grade.

Florence Oak P12

Rich earthy tones and subtle grain details infuse interiors with depth, creating a warm and sophisticated atmosphere.

Available in AB Grade.

VOC EO (0.014mg/m³)
ISO9000 Quality Control System and
ISO14000 Environment Control System

STRUCTURAL WARRANTY *
Lifetime Structural Warranty

COATING WARRANTY *
20 Years - Residential
10 Years - Commercial

MULTI-PLY CORE STRUCTURE

The Multi-Ply Core Structure Engineered Flooring is constructed with a crisscross arrangement that relieves internal stress and reduces the natural movement of timber. This results in a highly stable floor, allowing for cost-effective wide planks that are less prone to expansion and contraction.

DISCLAIMERS
* For full details, terms, and conditions, please refer to the official warranty documents available on our website.

Combining quality and environmental control standards throughout the manufacturing process — creating truly Elevated Spaces.
